

ISSUES, REVIEW & FINANCE WORK SESSION

February 29, 2024

A special meeting of the St. Clair Borough Council was held to review issues and finance on Thursday, February 29, 2024, beginning at 6:30 p.m.

In attendance were council members: Joann Brennan, Cheryl Dempsey, Judy Stednitz-Julian, Tony Klazas, Norm Diehl, Bill Dempsey, President Thomas Dempsey, and Mayor Tomko.

Others in attendance included Borough Secretary Roland Price, Treasurer Carol Sutzko, Electric Light Superintendent Bob Petrozino, Code Enforcement Officer Michelle Brestowski, Barbara Artz, Joshua Sophy, Media, Vaughn Vesay, Justin Cappel, Vikki Rarick, Kamree Yarbrough, Jeff Searfoss, John Zachar, Julia Lambert and Darrin Long.

Pledge of Allegiance

Public Comment

Vaughn Vesay directed a clarification towards Councilman Klazas regarding the comment from the February 2024 council meeting concerning killing half the kids and putting the rest in a box in Arnot's regarding the Wade Road bus stop. Klazas denied making any such comment and if something was said it was not meant in that context. Vikki Rarick added she could pull up the video when it was said. Councilman Klazas apologized.

Jeff Searfoss from 14 S. Mill Street was concerned about his neighbor's dirt driveway. Mr. Searfoss was worried about the dirty driveway rutting, having water lay there and then seep into his basement. President Dempsey will have the Zoning Officer look into the situation.

Mayor Tomko requested thank you letters be sent to the parties involved in helping the day of the power outage be added to Tuesday's agenda.

Code Enforcement Officer Brestowski has been in communication with Everything Bagel concerning the dumpster. She will reach out to regional management concerning the hours that they are emptying the dumpster to make it accommodating for the company, the school, and the neighbors.

Electric Light Superintendent Bob Petrozino reported that the hydronic heating system, in front of the Municipal Building, was installed and works well. They are currently working on controlling it remotely. The fountain donated by the Lion's Club was discussed. The purchase of a new envelope inserting machine is on the agenda to be approved, the Sewer Authority pays for one third of the cost. Josh Poda, Assistant Lineman, began his CDL class every Monday, Wednesday, and Friday, for six weeks. Pavement restorations, where the poles were replaced by Comcast, will begin in the Spring. Verizon was contacted about pole pieces

hanging. We are working on getting them removed. Councilman Diehl suggested an employee from the Street Department help the Electric Light Department in the absence of Poda, possibly painting poles. The idea of summer help was also entertained but, with the amount of liability, was taken off the table. Bob added that he got a great response with PPL during the power outage.

Mayor Tomko encouraged the Street Department to clean the branches in Mill Creek. Perhaps, in the past, they obtained a permit to clean the creek with heavy machinery. The mayor also mentioned the letter that was sent to PPL years ago labeling St. Clair Borough a "Vital Facility," helped when there were power outages throughout the county on February 13, 2024, by making the borough a priority. Bob Petrozino agreed.

Borough Secretary Roland Price reviewed the Secretary Notes:

- Reminder – The next Work Session will be Tuesday, March 26, due to the Easter holiday.
- Comcast has been billed for the Pole Attachment and the pole rental fee.
- A letter was sent to Holden Realty to market the properties located at 311 Broad Street and 438 S. Front Street.
- The Zoning Hearing Board granted a variance to Joseph Chaklos for 100 S. Nichols Street at the February 20th hearing. A flood permit is required and is under review.
- Engineer Baldwin and I held an initial conference call with Richard Bogart from DCNR for the John Siney Park project.
- The County Demolition Department toured the below sites and approved the submission of grant applications for the following properties:

6 S. Mill Street

28 N. Nichols Street

113 – 115 E. Hancock Street

212 Cherry Street

- A Resolution authorizing Alfred Benesch to provide engineering services for the development of the John Siney Grant must be adopted.
- The 2024-2025 insurance renewal is being completed.
- Sharon Stednitz is requesting permission to attend a Benecon conference on April 4 and 5. The cost would be for travel and lodging in Lancaster.

Secretary Price also mentioned a tree on 113 East Hancock Street potentially needs to be cut down due to the branches encroaching on neighboring properties. The county will not touch the tree during demolition of the structures. Council will investigate this.

The executive session began at 6:50 p.m. to discuss personnel matters.

The purpose of the meeting was to discuss personnel issues.

The executive session adjourned at 7:07 p.m.

Councilwoman Brennan discussed the commercial garbage fees. She recommended the borough charge a \$27 garbage fee for all active electric light commercial users except for heavy users. Notification should be sent to the heavy users recommending they begin using a dumpster. The heavy users will be given at least 60 days' notice and with a deadline of June 1 to comply.

The council meeting adjourned at 7:20 p.m.

Roland Price, Borough Secretary

MARCH COUNCIL MEETING**March 5, 2024**

The March monthly Council Meeting of the St. Clair Borough Council was held on Tuesday, March 5, 2024, in Council Chambers, St. Clair Municipal Building, 16 S. Third Street, St. Clair. The meeting began at 6:30 p.m.

Council President Thomas Dempsey called to order the March 2024 monthly council meeting.

Answering the roll call were council persons: Joann Brennan, Cheryl Dempsey, Norm Diehl, Judy Stednitz-Julian, Tony Klazas, Bill Dempsey, Council President Thomas Dempsey, and Mayor Richard Tomko.

Also, present included Solicitor Edward Brennan, Engineer Brian Baldwin, Borough Secretary Roland Price, Treasurer Carol Sutzko, Electric Light Superintendent Bob Petrozino, Street Superintendent Kevin Dempsey, Police Sergeant Brad Blanner, Patrolman Christopher Wallace, Fire Chief Frank Uhrin, Zoning Officer Greg Stednitz, Barbara Artz, Walter Archibald, Vikki Rarick, Kamree Yarbrough, Eleanor Jamosky, Nick Kostishak, Scott Clews, Mike Boyer, Michael Jackson, Brian Sallada, Vaughn Vesay, Anthony Sylvester, Erin Portland, Adrienne Portland, Mike Petrozino, Justin Cappel and Briget Klazas.

Pledge of Allegiance

Council member Joann Brennan read the council prayer.

Copies of the minutes of the previous council meeting have been given to Mayor Tomko and borough council members, are there any errors or corrections? If not, they stand approved.

PUBLIC COMMENT

Mike Jackson discussed the Wade and Pine Streets bus stop and the safety of the children. He reviewed several possible solutions and offered his phone number to discuss with council. Recommendations included one or two shelters in the vacant lot, warning signs, and a stronger police presence to control speeders. He also suggested fundraising ideas to benefit the St. Clair Community Pool, for example accepting sponsors to hang on the fence that surrounds the pool, like the little league field.

Mayor Tomko asked everyone to write letters to Senator Argall and Pennsylvania State Representative Twardzik encouraging them to make it legal to allow local police the use of radar guns in the Commonwealth of PA.

Nick Kostishak asked if the garbagemen would consider placing the garbage cans back on the curb rather than throwing them.

School Board member Scott Clews offered to meet with council to come up with a solution concerning the Wade Road bus stop. He mentioned they met last year concerning this stop. The turns are too tight for the buses.

Concerned residents Vikki Rarick and Brian Sallada also expressed concern about the Wade Road bus stop. Rarick suggested utilizing a short bus. Clews added that the bus company does not have short buses. Sallada mentioned cars have been going the wrong way on Apple Street. Sergeant Blanner added that the police will step up their enforcement in that area. School Board Member Erin Portland added that a study was done on the Wade Road bus stop.

Bridget Klazas of 122 E. Patterson Street had three issues: 1.) Vacant properties in the borough. The neighboring house at 120 E. Patterson Street is vacant and not being maintained. The Code Officer will be sent to inspect the property. 2.) Drug dealers in town and what is being done to eradicate them. 3.) Are criminal background checks done on Council Members?

Nick Kostishak questioned whether the proper guidelines in appointing of William Dempsey to fill the vacancy created by Thomas "Dinker" Adamchick was followed. Attorney Brennan assured him that the legal process was followed.

MAYOR'S REPORT

As a preface to my report this evening, I want to explain the events on the day after the snow storm which resulted in the electricity being disrupted to our borough.

As soon as I realized the situation I called Bob Petrozino for an update – Initially sources said that the power would be off for 3 to 4 days.

The situation had to be addressed as soon as possible.

I made phone calls to Emergency Management Coordinator Vincent Alessi, Chief of Police William Dempsey, Fire Chief Frank Uhrin, and Assistant Fire Chief Tom Johns.

I called for a meeting at the Police Station so our public officials including President T. Dempsey and Street Department Kevin Dempsey could exchange views and come to a concession as to the most prudent actions we should take to ensure the safety of our citizens.

A consensus was reached a plan of action went into effect.

Therefore-

1. Many thanks are extended to borough officials, borough employees, borough fire companies and the St. Clair Area School District for acting in unison to provide shelters for our residents during the electric power disruption caused by a snowstorm last month. Thankfully, the power was restored before nightfall, but the fact remains that our borough was ready to contend with a far more dangerous situation; had it occurred, thereby fulfilling our most basic responsibilities to our residents.

A special thank you is extended to Electric Light Department Superintendent Robert Petrozino and his crew for their diligence during the outage and for Bob's near constant communication with P.P.& L. reminding them of our position on the priority list for restoration of electricity.

2. I recommend that letters of thanks should be sent to the St. Clair Area School District, the West End Fire Company and the Phoenix Fire Company for providing potential shelters for our residents during the electric power outage.
3. This month marks the beginning of the third year of the illegal Russian war against Ukraine. Let us keep Ukraine and her people in our prayers as they sacrifice more than we can imagine to battle against the forces of authoritarian and totalitarian tyranny.
4. On behalf of myself, the Borough Council and the Borough Officials and employees, I take this opportunity to wish our residents a very Happy and Blessed Easter Season.

On behalf of myself, members of Borough Council, and Borough officials, congratulations are extended to Reverend Monsignor William F. Glosser (Father Bill) for being honored by Catholic Charities of the Diocese of Allentown for the work he has done with the marginalized in Schuylkill County. He will be honored at a banquet at DeSales University on April 14, 2024.

Historical Note

In 1829, the Mill Creek Railroad was built from Port Carbon to the southern limits of the Borough of St. Clair. In 1845, the Philadelphia and Reading Railroad extended their tracks through St. Clair.

It was evident in those early years that St. Clair was destined to become a great coal center for the Southern Anthracite Field of Pennsylvania.

In 1913, therefore, the largest classified coal yards in the world were built in the area of St. Clair on the site of a large swamp, the present-day St. Clair Industrial Complex on our southern border in East Norwegian Township. The St. Clair Coal Yards had a capacity in 1934 of 2,010 railroad cars and a track mileage of 46.26 miles. The coal yards contained 35 tracks for coal trains, 28 tracks for car repair work and 4 main line tracks.

St. Clair was also afforded service by the Pennsylvania Railroad starting in 1887.

On a motion made by C. Dempsey, seconded by Brennan, the report was approved.

SOLICITOR'S REPORT

Solicitor Brennan updated council on the conservatorships program.

214 S. Third Street – Hearing continued until April 26 – problem with serving notice on LLC.

146 N. Nichols Street – The appeal was quashed by Commonwealth Court. The property has been demolished.

6 S. Mill Street – The Borough was appointed conservator and the demolition application was started.

120 E. Patterson Street – If the Code Officer finds the property blighted and abandoned, contact the Solicitor's office for a title search.

An executive session is requested to discuss the selling price of several conservatorship properties.

On a motion made by Stednitz-Julian, seconded by Klazas, the report was approved.

ENGINEER'S REPORT

On a motion made by Klazas, seconded by Brennan, the report was unanimously approved, and it was made part of the minutes by reference.

Council Member Diehl asked about Safe Routes, a government program that promotes safe transportation to school. Engineer Baldwin was familiar with the program but a route typically needs to be designated. Baldwin will look into it and report back. Mayor Tomko asked about rumble strips on Wade Road. Engineer Baldwin explained that rumble strips are not typically used in residential districts because of the noise pollution it creates. Traffic calming devices such as elevated walkways and speed bumps would also not be used in these cases. Speed enforcement, which is 25 mph on Wade Road, is the best action currently.

DEPARTMENTAL REPORTS

STREET DEPARTMENT REPORT

On a motion made by Klazas, seconded by Stednitz-Julian, the report was unanimously approved.

Superintendent Kevin Dempsey added that since the precautions were made at the municipal building, no flooding has occurred.

ELECTRIC LIGHT DEPARTMENT REPORT

On a motion made by Diehl, seconded by C. Dempsey, the report was unanimously approved, and it was made part of the minutes by reference.

TREASURER'S REPORT

On a motion made by C. Dempsey, seconded by Stednitz-Julian, the report was unanimously approved, and it was made part of the minutes by reference.

TAX REPORT – No report.

POLICE REPORT

On a motion by Stednitz-Julain, seconded by Diehl, the report was unanimously approved, and it was made part of the minutes by reference.

Sergeant Brad Blanner reviewed the Police Report and also mentioned that the Police Department will be participating in a charity basketball event at the St. Clair Area Elementary/Middle School on March 22, 2024.

ZONING REPORT - No report.

FIRE DEPARTMENT REPORT

On a motion made by Brennan, seconded by Klazas, the report was unanimously approved, and it was made part of the minutes by reference.

Fire Chief Frank Uhrin thanked the volunteers and the borough agencies during the power outage. The St Clair Fire Police did an excellent job!

CODE DEPARTMENT REPORT

On a motion made by Stednitz-Julian, seconded by C. Dempsey, the report was unanimously approved, and it was made part of the minutes by reference.

COMMUNICATIONS

A letter was received by the Civil Service Commission reviewing its Biennial Organization meeting held on February 5, 2024. In summary:

6/10/22-Borough requests extension of eligibility list of 2/19/21.

7/1/22-Commission agrees.

10/5/22-Begin process to create new patrolman eligibility list.

1/30/23-Process completed.

5/3/23-Begin process to create new patrolman eligibility list.

8/1/23-Process completed.

Receipts:

4 Applications @\$75.00....\$300.00

Expenses:**Police Officer 2022**

3 tests/Study Guide/Administration Guide	\$ 81.50
Publication	\$ 764.24
Postage	\$ 27.90

Police Officer 2023

1 test/Administrative Guide	\$ 32.50
Publication	\$1,380.64
Postage	\$ 9.65

Sergeant Exam 2023

1 Test/Study Guide/Administrative Guide/Shipping	\$ 142.00
Publication	\$ 90.04
Postage	\$ 8.56

TOTAL **\$ 2,537.03**

On a motion by Klazas, seconded by Diehl, to accept the Civil Service Commission Biennial Report, approved.

February 10, 2024

Dear Mr. Price:

I would ask that the following letter be shared with the Borough Council during the next regular session.

On morning of 2/7/2024, the Saint Clair Department of Streets closed down Ann Street to repair potholes for approximately a two-hour window of time. During this period, traffic was prohibited from entering Ann Street from Route 61 or from the Fairlane Village Mall, which completely blocked off access to my business. My employees were prevented from getting to work on time and customers were prevented from accessing my business. The entire street was also closed off from the Fairlane Village Mall Entrance and the Route 61 entrance when Auto Zone was under construction.

I was notified in advance that this work was being done, despite that fact that it was apparently planned, in advance. It is very challenging keep a retail business afloat with the pressures of the "big box" stores and online shopping and it is disheartening that the Saint Clair Department of Streets fails to realize the impact their actions.

On the morning of 2/7/24, six borough employees were onsite performing this work. In the future, I respectfully request that Borough of Streets keep one lane open while performing work on Ann Street. If there are six employees on a crew and police support, there is absolutely no reason why

two employees can't be posted at either entrance with stop signs to allow for single lane traffic. You would not have closed down the road leading into Walmart. I ask that you give the same level of respect for my business that you would for a large corporation.

Sincerely,
Donna Boyd
Owner
Peace Frog Natural Foods
49 Ann Street
Pottsville, PA 17901

Street Superintendent Kevin Dempsey responded that no malice was intended. The middle of the street was destroyed and from this point forward, work would be done after hours and he apologized.

Dear Friends:

On Saturday, March 30, 2024, the St. Clair Fish and Game will sponsor its 43rd Annual Easter Egg Hunt at 1:00 p.m.

Each year the major goal of our club is to make this event as exciting as possible for our children. To make this Saturday afternoon special, it takes manpower and monetary donations.

Since the origin of the egg hunt, in 1979, many businesses and organizations have joined our efforts to make this a fun-filled day for the youth of our community.

We would like to extend a special "thank you" to those who have donated in past years and ask that you join as again this year. If you haven't donated before, we ask that you consider becoming part of our team. Your donation will be a great help to us and the children of our area.

Kindly send your donation by March 16th to:

St. Clair Fish and Game
Easter Egg Hunt Committee
PO Box 125
St. Clair, PA 17970

Thank you for your participation and continued support.

Sincerely,
Richard M. Garland, Bill Johnson, James Tohill, Barb Conville, Gary Arner, Brittany Prutzman, Ray Gipe and Tony Petrozino

On a motion by Klazas, seconded by C. Dempsey to authorize a donation of \$300 be sent to the St. Clair Fish and Game towards the Easter Egg Hunt, approved.

Treasurer Carol Sutzko mentioned that a donation of \$300 was sent.

3/2/2024

Eleanor Jamosky submitted a letter for council's review. It was made part of the packet by reference.

March 1, 2024

I would like to take this opportunity to commend and thank the Department of Streets on getting the fallen trees cleared so quickly after the last snowstorm. The trees that had fallen on Ann Street were cleared by early morning.

I also appreciate how quickly the St. Clair Light Company had power restored to the town after the same storm. Power was restored to the borough almost a full 24 hours before most other municipalities.

Please extend my sincere appreciation to Mr. Kevin Dempsey and his crew as well as the crew of the Saint Clair Light Company.

I believe it is just as important to provide praise for a job well done as it is to criticize.

Sincerely,
Shannon Brennan
Owner
Trio Spa & Salon, LLC
49 Ann Street, Unit 2
Pottsville, PA 17901

Council agreed and thanked everyone again for doing a good job.

OLD BUSINESS

On a motion by Stednitz-Julian seconded by C. Dempsey, to purchase a new envelope inserting machine from Postage Pros Plus for \$8,872.50. The Sewer Authority will pay one third of the cost, approved.

Councilwoman Brennan discussed the garbage collection of heavy users. The heavy users will be notified that unless they maintain a 6-bag limit, the business will need to outsource to a dumpster. The rate of \$27 would remain the same for the rest of the businesses that maintain a 6-bag limit. Councilman Diehl discussed the Buckhorn and their collection. If we give them more recycling containers, they may be able to maintain the 6 bag-limit. School Board Member Scott Clews discussed the school garbage situation with council. It was decided that the Borough would work with these businesses and come up with a solution or collect the heavy user's

garbage until June 1 and then they must have a dumpster in place going forward.

On a motion by Klazas, seconded by C. Dempsey to notify the "Heavy Users" that unless they maintain a 6-bag garbage limit, they will need to outsource their garbage pick-up outside the Sanitation Department of the Borough of St. Clair; and charge \$27.00 to the businesses that maintain a 6-bag limit. ROLL CALL-Brennan-YES, Bill Dempsey- Abstain, C. Dempsey-YES, Diehl – YES, Julian – YES, Klazas – YES, T. Dempsey – Abstain, approved.

The Council's Committee Listing was updated. William Dempsey replaced Thomas Adamchick on Committee Listing.

President Dempsey explained that the management at Everything Bagel was contacted concerning the dumpster pickup. They will pick up the garbage between 6 a.m. and 7 p.m. per Code Enforcement Officer Brestowski.

NEW BUSINESS

On a motion by Stednitz-Julian, seconded by Klazas to authorize Sharon Stednitz to attend a Benecon conference on April 4 – April 5 in Lancaster. The cost would be for travel and lodging, approved.

On a motion by T. Dempsey, seconded by Brennan, to authorize the Borough Secretary to write letters of thanks to the St. Clair Area School District, the West End Fire Company and the Phoenix Fire Company for providing potential shelters for our residents during the electric power outage, approved.

On a motion by Brennan, seconded by C. Dempsey, to authorize Jim Reed, a licensed tree surgeon, to give an estimate to remove the large tree located at 113 E. Hancock Street, approved.

On a motion by T. Dempsey, seconded by C. Dempsey to amend the agenda to authorize the demolition application for the following properties:

6 S. Mill Street

113 – 115 E. Hancock Street

212 Cherry Street

28 N. Nichols Street,

Approved.

Engineer Baldwin asked if there was any specific recreation grant council would like worked on. Councilman Diehl asked if there was anything available to support a walking path behind the football field. Baldwin will revisit a plan that was discussed years earlier.

Council woman C. Dempsey added that she is working on a Memorial Day parade which would include firetrucks, police and fire police, to add to our

insurance as a potential special event. Councilman Diehl asked to also add to the insurance about the potential New Year's Eve special event.

St. Clair resident Michael Jackson added that someone is parking vehicles and dumping ashes on Cherry and Wade Road on a vacant lot owned by the Borough.

The executive session began at 7:48 p.m.

Solicitor Brennan discussed the selling price of several properties from the conservatorship program.

The executive session adjourned at 8:05 p.m.

On a motion by C. Dempsey, seconded by Stednitz-Julian to contain each department to have access only to their own department's monitors, approved.

On a motion by Stednitz-Julian, seconded by Klazas, to pay all the bills and claims, approved.

On a motion by Stednitz-Julian, seconded by Klazas, to adjourn the meeting, approved at 8:06pm.

Roland Price, Borough Secretary

Mayor's Report

March 2024

1. Many thanks are extended to borough officials, borough employees, borough fire companies and the St. Clair Area School District for acting in unison to provide shelters for our residents during the electric power disruption caused by a snowstorm last month. Thankfully, the power was restored before nightfall, but the fact remains that our borough was ready to contend with a far more dangerous situation; had it occurred, thereby fulfilling our most basic responsibilities to our residents.

A special thank you is extended to Electric Light Department Superintendent Robert Petrozino and his crew for their diligence during the outage and for Bob's near constant communication with P.P. & L. reminding them of our position on the priority list for restoration of electricity.

2. I recommend that letters of thanks should be sent to the St. Clair Area School District, the West End Fire Company and the Phoenix Fire Company for providing potential shelters for our residents during the electric power outage.
3. This month marks the beginning of the third year of the illegal Russian war against Ukraine. Let us keep Ukraine and her people in our prayers as they sacrifice more than we can imagine to battle against the forces of authoritarian and totalitarian tyranny.
4. On behalf of myself, the Borough Council and the Borough Officials and employees, I take this opportunity to wish our residents a very Happy and Blessed Easter Season.

Historical Note

In 1829, the Mill Creek Railroad was built from Port Carbon to the southern limits of the Borough of St. Clair. In 1845, the Philadelphia and Reading Railroad extended their tracks through St. Clair.

It was evident in those early years that St. Clair was destined to become a great coal center for the Southern Anthracite Field of Pennsylvania.

In 1913, therefore, the largest classified coal yards in the world were beset in the area of St. Clair on the site of a large swamp, the present-day St. Clair Industrial Complex on our southern border in East Norwegian Township. The St. Clair Coal Yards had a capacity in 1934 of 2,010 railroad cars and a track mileage of 46.26 miles. The coal yards contained 35 tracks for coal trains, 28 tracks for car repair work and 4 main line tracks.

St. Clair was also afforded service by the Pennsylvania Railroad starting in 1887.

Mr. T. Dempsey
Council President
16 S Third Street
St. Clair, PA 17970

**RE: Consulting Engineer's Report (CER)
Benesch Project No. 32089.02**

Dear Mr. Dempsey:

The following is the status of engineering services performed by our firm as of this date:

ENGINEERING CONSULTATIONS & CONSTRUCTION PROJECTS

Grant Assistance (32089.02, Task 5)

PCCD Police Grant

We have been working with the Police Department and the Borough regarding the purchasing and grant reporting requirements. Quarterly reporting is required for the life of the grant term (until March 31, 2025), which we have been providing on behalf of the Borough, including the latest report submitted on January 17, 2024. The next quarterly report will be due by April 20, 2024, for the reporting period ending March 31, 2024.

LSA Garbage Truck

The Borough submitted the purchase order to TransEdge (Mack dealer) on February 14, 2024. The Mack chassis should be complete sometime in May, and it will then be sent to Mid-Atlantic for installation of the compactor. The delivery of the new garbage truck to the Borough should be sometime in July 2024.

2023 PA DCNR Community Partnerships Program (C2P2), Small Communities (SC) Program: John Siney Park

On October 25, 2023, the Borough was informed that they were awarded a grant of **\$77,500** for the John Siney Park Improvements. On January 2, 2024, the Borough received from DCNR official start-up correspondence, and on January 24, 2024, the Borough received the fully executed grant agreement. The initial conference call with DCNR was held on February 27, 2024. So, now design and grant activities can begin. The design and DCNR review process will last at least several months, with construction anticipated in 2025. The grant expires on December 31, 2027.

2024 PA DCNR Community Partnerships Program (C2P2), Small Communities (SC) Program Grant Application

This year's C2P2 grant round is open with **applications due on April 3, 2024** – a day after your next Council Meeting. If Council wishes to apply for funding during this round, Council should identify a project at tonight's meeting and consider authorizing Benesch to begin the grant application process as there are numerous items required for the application including plans, estimate, narratives, support letters, and resolution.

St. Clair Little League Project (31226.20)

This project will be rebid with a modified scope to bring the project within budget. We have been coordinating this effort with DCNR and require DCNR's approval to readvertise the project. The updated bid documents were uploaded to DCNR's grant portal for their review and approval, and DCNR's approval to readvertise the project was received on February 22, 2024. However, this was not in time to meet the public advertising requirements to receive bids at the March meeting. We have advertised to receive bids at the April Council Meeting with construction anticipated to be complete by mid-October 2024.

Floodplain Ordinance Assistance (32089.03, Task 2)

Our office is assisting the Borough's Floodplain Administrator as requested in determining floodplain ordinance requirements for properties located within the Special Flood Hazard Area (100yr floodplain) and those in the 500yr floodplain.

Demolition Assistance (32089.70, Task 2)

Our office is assisting the Borough with adding several properties to the County's demolition program by providing demolition cost estimates.

SUBDIVISIONS & LAND DEVELOPMENTS

Taco Bell LD (30567.32, Task 2)

The last major outstanding item of work to be performed by the Developer is the paving of the pathway along Mill Street to Taco Bell. This path might become a part of the Schuylkill River Trail. Nevertheless, Taco Bell has been in operation since late 2015. We have reached out to Coal Creek Commerce Center (CCCC) for a status update several times, but they have not provided any updates.

Coal Creek Commerce Center – Phase III LD (30839.32, Task 2)

As of early 2019, work in the area of the medical office building is essentially complete, although a majority of the remainder of Phase III – including stormwater features – has not yet been started. There are three (3) more buildings and associated infrastructure yet to be completed. We have reached out to CCCC for a status update several times, but they have not provided any updates. However, on November 21, 2023, the County Conservation District issued a PAG-02 NPDES General Permit Renewal Approval to CCCC with a new expiration date of December 7, 2024.

STS LD (31137.31, Task 1)

All sitework is complete. However, we are awaiting the submission of record plans before closing out this project. On February 7, 2024, and again on March 1, 2024, we did request an update on the status of the record plans – including installed electrical infrastructure – but we have not yet received an update.

Hale SD (31433.30, Task 1)

At your January 2, 2024, Council Meeting, Council granted Conditional Final Plan Approval with the one remaining condition being that the Applicant address any comments that might be received from the County Planning Commission. We have not yet received County comments. All conditions are to be satisfied within one (1) calendar year of the granting of the conditional final plan approval.

POTENTIAL FUNDING/GRANT SOURCES (31433.02, Task 5)

RECREATION

2024 DCNR Community Partnerships Program (C2P2), Small Communities (SC) Program

- Current Status: **OPEN** (as of Jan 16, 2024)
- Application Deadline: **April 3, 2024, 4:00 PM**
- Uses: Grant funds must be used for rehabilitation and/or new development of basic outdoor recreation and park facilities that provide a high level of recreational value, such as playgrounds and pavilions with ADA accessibility.
- Funding:
 - **Grant funding ranges from \$60,000 – \$100,000:**
 - \$10,000 is earmarked for Professional Services only and requires no match.
 - \$20,000 is earmarked for Materials and/or Equipment only and requires no match.
 - Grant funds over \$30,000 may be used for Materials, Equipment, and/or Labor and require a \$1 for \$1 match.

- **Total project costs range from \$90,000 – \$170,000**

DCNR Grant	Match Requirement	Total Project Costs
\$60,000	\$30,000	\$90,000
\$70,000	\$40,000	\$110,000
\$80,000	\$50,000	\$130,000
\$90,000	\$60,000	\$150,000
\$100,000	\$70,000	\$170,000

- Timeline:
 - Anticipated award notifications: Fall 2024
 - Grant agreements begin: Jan 2025
 - Earliest Project Start: Summer/Fall 2025
 - Earliest Project Completion: Fall 2025/Spring 2026
 - Grant Expiration: Dec 2028
- Potential Projects: John Siney Park pavilion replacement, Third Street Basketball Court lighting, other playground improvements.

2024 Commonwealth Financing Authority (CFA): Greenways, Trails, Recreation Program (GTRP)

- Current Status: **OPEN** (as of Feb 1, 2024)
- Application Deadline: **May 31, 2024**
- Uses: Can fund planning grants, as well as construction/repair/rehab grants, for a wide variety of community recreation facilities, like baseball and soccer fields, basketball courts, playgrounds, pools, etc. Can fund indoor or outdoor facilities.
- Funding:
 - Grants shall not exceed **\$250,000** for any project.
 - **15% local match required.** Can be land value and other state grant funds. In-kind match NOT accepted.
- Timeline:
 - Anticipated award notifications: Fall 2024
 - Grant agreements begin: Jan 2025
 - Earliest Project Start: Summer/Fall 2025
- Potential Projects: John Siney Park pavilion replacement, Third Street Basketball Court lighting, other playground improvements.

COMMUNITY FACILITIES AND VEHICLES

PA DEP: Driving PA Forward, Onroad Rebate Program – Trucks and Buses

- Current Status: **OPEN** (as of Nov 24, 2023) – **FINAL ROUND**
- Application Deadline: **The application period will remain open until all funds are exhausted.** As of February 1, 2024, there are still approximately \$2.2 million in uncommitted funds available to award.
- Background: \$6.1 million is available to fund rebates for projects that replace or repower fleets of 5 or fewer class 4-8 trucks, port drayage trucks, school buses, shuttle buses, and/or transit buses.
- Uses: Class 4-8 trucks with Model Years 1992-2009 **with at least 3 years of remaining useful life** are eligible for rebates for repower or replacement with new diesel, electric or alternative fuel. **Vehicles must be scrapped.**
- Funding: **Max 70% up to the following Maximums per Vehicle:**

Truck Class	Diesel	Alt Fuel
4-5	\$56,000	\$70,000
6-7	\$70,000	\$105,000
8	\$122,500	\$157,500

This is a rebate voucher program that reimburses for costs incurred.

USDA Rural Development: Community Facilities Direct Loan & Grant Program

- Current Status: **OPEN**
- Application Deadline: Applications accepted continuously throughout the year.
- Uses: Funds can be used to purchase, construct, and/or improve essential community facilities (including police & fire stations), purchase equipment (including vehicles), and pay related expenses.
- Funding: Low interest direct loans and/or grants (max 75%). Most funding via low-interest loans.

TRANSPORTATION/INFRASTRUCTURE

USDOT: FY 2025 RAISE Discretionary Grants

- Current Status: **Closed** (expected to open Summer 2024)
- Application Deadline: Jan 13, 2025
 - **Application is lengthy and requires significant engineering effort; very competitive.**
- Uses: Highway, bridge, road projects, public transportation, intermodal, and more.
- Funding:
 - Planning Grants: **No minimum, \$25M maximum**
 - Projects: **\$1 minimum/\$25M maximum; typically requires 20% match but may be waived for rural areas**
- Anticipated Award Announcement: Spring 2025
- Potential Project(s): Thwing Street Bridge Replacement, Carroll Street Bridge Replacement, streetscapes.

USDOT: FY 2024 Bridge Investment Program (BIP)

- Current Status: **OPEN** (as of Dec 20, 2023) with rolling application acceptance
- Application Deadline:
 - Planning Grants: FY 2024 Feb 19, 2024; FY 2025 Oct 1, 2024
 - Bridge Projects: FY 2024 Mar 19, 2024; FY 2025 Nov 1, 2024
 - **Application is lengthy and requires significant engineering effort, very competitive.**
- Uses: Authorized under the Bipartisan Infrastructure Law (BIL), projects that replace, rehabilitate, preserve, or safeguard NBIS bridges, and for culvert replacement/rehabilitation on the NBIS to enhance flood control and aquatic habitat connectivity.
- Funding:
 - Planning Grants: **No minimum nor maximum; requires 20% match**
 - Bridge Projects: **\$2.5M minimum; requires 20% match (\$500,000 minimum)**
- Anticipated Award Announcement: Spring/Summer 2024
- Potential Project(s): Thwing Street Bridge or Carroll Street Bridge replacement planning/design

PENDING/AWARDED GRANT APPLICATIONS

2022 PA DCED Commonwealth Financing Authority (CFA): Local Share Account (LSA) – Statewide

Project	Garbage Truck
Total Project Estimate	\$301,609
Borough Portion	\$0 (0%)
Date Submitted	Mar 15 2022
Award Notification	Mar 16 2023
Application Status	AWARDED \$301,609
Grant Period Ends	Jun 30 2026
Project Status	Truck ordered Feb 14, 2024 (\$306,523.87). Expected delivery July 2024.

2022 PA DCNR Community Partnerships Program (C2P2), Small Communities (SC) Program

Project	Northward Playground Basketball Courts
Total Project Estimate	\$70,000
Borough Portion	\$20,000 (29%)
Date Submitted	Apr 6 2022
Award Notification	Sep 6 2022
Application Status	AWARDED \$50,000
Grant Period Ends	Dec 31 2026
Project Status	Bid documents being prepared for construction late 2024.

PA Commission on Crime and Delinquency (PCCD): Local Law Enforcement Support (LLES) Grant Program

Project	Equipment and Technological Upgrades
Total Project Estimate	\$177,018
Borough Portion	\$0 (0%)
Date Submitted	Oct 31 2022
Award Notification	Mar 8 2023 (Second Rnd)
Application Status	AWARDED \$87,660
Grant Period Ends	Mar 31 2025
Project Status	Equipment ordered. Once received, Borough can submit for reimbursement.

2023 PA DCNR Community Partnerships Program (C2P2), Small Communities (SC) Program

Project	John Siney Park
Total Project Estimate	\$125,000
Borough Portion	\$47,500 (38%)
Date Submitted	Apr 5 2023
Award Notification	Oct 5 2023
Application Status	AWARDED \$77,500
Grant Period Ends	Dec 31 2027
Project Status	Initial DCNR conference call held Feb 27, 2024. Design can now proceed. Construction anticipated 2025.

2023 PA DCED Commonwealth Financing Authority (CFA): Multimodal Transportation Fund (MTF)

Project	Thwing St Bridge Replacement
Total Project Estimate	\$2,264,000
Borough Portion	\$0 (0%)
Date Submitted	July 30 2023
Anticipated Award Notification	Mar 26 2024
Application Status	Under Review

2023 PA DCED Commonwealth Financing Authority (CFA): Local Share Account (LSA) – Statewide

Project	Electric Bucket Truck
Total Project Estimate	\$285,000
Borough Portion	\$0 (0%)
Date Submitted	Nov 30 2023
Anticipated Award Notification	Mar 26 2024
Application Status	Under Review

2023 PA DCED Commonwealth Financing Authority (CFA): Local Share Account (LSA) – Statewide

Project	Firehouse Addition
Total Project Estimate	\$651,360
Borough Portion	\$0 (0%)
Date Submitted	Nov 30 2023
Anticipated Award Notification	Mar 26 2024 or later
Application Status	Under Review

ST. CLAIR POTENTIAL ACTION ITEMS

1. **Potential Grant Opportunities** – two recreational grant opportunities are open: DCNR and CFA. If Council wishes to pursue a recreational grant – particularly a DCNR grant – we suggest Council identify potential projects and consider authorizing Benesch to begin the application process so that conceptual cost estimates can be developed and a Resolution passed at your April Council Meeting. The DCNR application deadline is April 3, 2024.

Thank you for your time and consideration in this matter. If you have any questions or comments concerning the above, please contact our office.

Sincerely,

A handwritten signature in blue ink, appearing to read "BW Baldwin".

Brian W. Baldwin, PE
Project Manager

Cc: Atty. Edward M. Brennan, Solicitor

Street Dept.

Picked Up garbage and ashes for the month.

Cleaned and inspected playgrounds daily.

Installed 9 tons of cold patch and sealed holes throughout the borough.

Prepared for several snowstorms.

Cleaned all corners and snow piles after the storm.

Cleaned up down trees and debris for two days throughout the borough.

Cleaned and cut all down and dead trees in the west word playground.

Started to clear all the down trees in borough cemetery .

Met with the bridge inspector, received a maintenance list, but overall bridges are in good shape.

All welding, maintenance and fabrication on bridges will be completed in house.

Picked up large items for the month.

Repaired and secured the fence at the police station.

Gutters and drains also cleaned at police station.

All inlets are cleaned weekly.

Maintenance

Rebuilt and installed compact cylinder on the back of G2 garbage truck.

Changed oil and maintenance 150-A police Tahoe.

Changed oil and maintenance Dodge Charger.

Changed oil and maintenance Chevy police car.

Rebuilt snowplow pump on S-7 pickup.

Installed new throttle activator on S-10 spreader.

Prepared the following vehicles for inspection: S-10; S-11; S-5; S-6; ISO – All were inspected!

Installed new wiring and alternator on S-9 dump truck.

Maintenance fuel system on G-2 garbage truck.

Tree Chipped was repaired and maintenance.

Installed new throttle activator on S-10 truck.

Installed Limited switch on G-1 garbage truck.

Rebuilt plow cylinder on S-6 dump truck.

Electric Light Department Report February 2024

Placed call to Com Center to verify that Borough Electric Crew contact list is up to date.

January Energy cost / usage - \$163,166.90 / 1,881,977 KWH

Called to have Dumpsters removed from southward, used for debris from Electrical MR work for Com Cast.

Took down all Christmas Decorations in Boone Park.

Terminated electric service to 3 Customers for non-payment, faxed notification to Police Dept.

Reviewed delinquent book, printed and posted 48 – 48 hour disconnect notices.

Replaced meter that stopped working at 121 South Nicholas Street.

Spoke with Several Customers who received 48 hour notice.

Ford Bucket truck and Line Truck for State Inspection.

Restored service to 2 customers accounts paid in full and reconnect fees.

Final tally sheet of all Borough costs submitted to Com Cast for re-imbursement Tuesday 2/6/24.

Call out Tuesday 2/6/24 at 8:10 pm wires down West Hancock also trouble call to 119 North Third Street.

New 200 amp service hookup 10 South Price Street.

Customer 410 South Mill requested Electric meter accuracy test, done on 2/8/24 meter tested accurate.

Resumed prepping and painting steel poles on Second Street.

Pulled meter and cut down secondary drop to 26 South Front Street, scheduled for demolition.

Dean Padfield installed Hydronic heating system for Borough office pavement.

Borough wide outage 2/13 approximately 8:12 am, stayed in contact hourly with PPL, attended 2:00pm Emergency plan meeting at Police Station, walked out feed lines through mountain looking for trouble areas, stayed until power was restored, checked that all of Borough service area was good and all traffic signals were functioning on utility power.

Spoke with Verizon's current regional construction manager Re: transferring their lines to new poles and removing pole stubs hanging throughout Borough service area from Com Cast Project.

Performed numerous other jobs, responded to multiple PA ONE calls, answered and returned numerous phone calls and emails throughout month.

Reviewed delinquent book, printed and posted 72 – 48 hour/Final notices

Respectfully Submitted;

Robert Petrozino

Saint Clair Fire Department
Fire Alarm Report
February 2024

February-02 GENERAL ALARM 17:30 hours (BOX 33) 400 Terry Rich Blvd. for an automatic fire alarm (Philly Pretzel). All companies and chiefs responded. Members arrived to find a false alarm and placed all units available. (AFA62) In service 20 minutes

February-03 STILL ALARM 18:31 hours 500 South Nicholas St. for a carbon monoxide alarm. Alert/Columbia, all chiefs, SCPD, and Schuylkill EMS responded. Members arrived and went in service with the air monitor and found it to be a faulty detector. (CO62) In service 15 minutes.

February-04 STILL ALARM 14:26 hours West Russell St. & South Second St. for a vehicle accident no injury fluids on the roadway. Alert/Columbia, Rescue, all chiefs, and SCPD responded. Members controlled traffic and fluids and cleared the roadway of debris. (MVA62) In service 30 minutes.

February-06 CHIEF CALL 20:01 hours West Hancock St. and North Second St. for wires down no arcing. All chiefs, SCPD, and Electric Light Dept. Crew secured the wires to prevent any of the borough wires from being damaged. (WD62) In service 1 hour.

February-10 STILL ALARM 14:17 hours 417 Dock St. Schuylkill Haven for a fire stand by. Alert/Columbia, Chief Uhrin and Skrobak responded with an engine and tower ladder. Members were on standby for 2 hours. (FSB63) In service 2 hours.

February-13 Storm Related Incidents ([See Attached Report included](#))

February-14 CHIEF CALL 10:06 hours 200 Arnot St. for a low hanging wire, Chief Uhrin and Johns responding and were cancelled. SCPD handled the incident. (CHF62) In service 10 minutes.

February-14 GENERAL ALARM 17:05 hours (BOX 33) 13 North Second St. for smoke in a house. All companies and chief responded. Members found it to be an oil burner malfunction. Members shut down the unit and ventilated the entire house, then did air monitoring to be sure of no reading of CO was present. (OBM62) In service 45 minutes.

February-15 STILL ALARM 21:55 hours 326 East Bacon St. Palo-Alto for a reported house fire. Alert/Columbia, Chief Uhrin and Skrobak responded with the tower ladder. Members were placed available before arriving on scene. (RSF57) In service 20 minutes.

February-23 GENERAL ALARM 10:35 hours (BOX 33) 500 Terry Rich Blvd. (Wal-Mart) for an automatic fire alarm. All companies dispatched, Deputy Skrobak arrived to find the alarm company testing the system and no fire was needed. (AFA62) In service 15 minutes.

February-24 STILL ALARM 06:27 hours Wade Rd. and Birch St. New Castle Township for a wire down. Alert/Columbia, Rescue, West End, Chief Uhrin and SCPD responded. The Chief arrived and held it to a chief call; wire was tied up and taped to the pole. (WD17) In service 10 minutes.

February-24 CHIEF CALL 18:04 hours 48 North Third St. for an unknown type of fire. Chief Uhrin responded. While enroute SCCC advised that it was rubbish on a porch next to a propane tank. The chief added an engine. (CHF62) In service 40 minutes.

February-24 STILL ALARM 18:09 hours 48 North Third St. for a rubbish fire on a porch next to a propane tank. Alert/Columbia, Asst. Johns, Skrobak, and SCPD responded. Members used a can and checked with the thermal camera. (RF62) In service 40 minutes.

February-26 STILL ALARM 01:54 hours 25 North Second St. for a Carbon Monoxide activation. Alert/Columbia, Deputy Skrobak, and SCPD responded. Members found high levels on the first and second floor. Members shut the unit off and took the fire out, then ventilated the building. Advised the tenant to contact her landlord to have it serviced. (CO62) In service 95 minutes.

February-27 GENERAL ALARM 09:52 hours (BOX 33) 400 Terry Rich Blvd. (*Vitos Coal Fired Pizza*) for a commercial fire. All companies and chiefs dispatched, Fire Chief arrived and found no fire with the employees had self-ventilated the smoke. The chief resigned all units to the call on South Second St. (CSF62) In service 15 minutes.

February-27 GENERAL ALARM 09:57 hours (BOX 33) 130 South Second St. for a reported house fire. All second alarm companies were dispatched and placed available by the Fire Chief as in town companies were clear from Vitos. All companies and chiefs responded. Chiefs held the call to one engine and one ladder. Members shut down the heating unit and ventilated the house. The homeowner was going to contact their service man. (RSF62) In service 1 hour.

February-27 CHIEF CALL 15:16 hours 408 East Hancock St. for wires down. All chiefs and SCPD responded, finding wires hanging low over the roadway. The wires were tied back. (WD62) In service 35 minutes.

February-28 STILL ALARM 10:43 hours 51 St. Peter St. for a fire stand-by at Schuylkill Hose. Alert/Columbia, and Chief Uhrin responded. Members were on stand-by with the tower ladder for Schuylkill Haven Area. (FSB63) In service 135 minutes.

February-28 STILL ALARM 20:02 hours 918 St. Clair / Frackville Grade Blythe Township for a tree blocking the roadway. Alert/Columbia, West End, Deputy Skrobak, and Johns responded. Members cleared the roadway. (TD02) In service 30 minutes.

Comments:

The following alarm boxes were tested 33,26,45, 15.

On February 6th 2024 members of the Saint Clair Fire Department attended a meeting in Frackville Borough Hall with representatives from J.D.Eckman Construction on the phases of the Frackville Grade Project.

On February 13th the members staffed their stations due to the power being out in the borough. The members handled calls from wires and trees down to road closures, in all the members were in service over 16 hours due to the weather.

Members also staffed Their stations due to power being out in the town. Station 1 provided a generator and lights to the school for a temporary warming shelter and also went to Nuemans apartments to see if their assistance was needed to help Police and STS with removing residents from the building. Station 5 (fire police) assisted at the school.

All Emergency incidents were received and kept in order by Deputy 62 via radio and pagers from S.C.C.C. and relayed to available companies. Asst. 62 was also on scene of incidents in our first due and immediate coverage area. All incidents had a Fire Chief or Company Officer present.

Saint Clair Fire Dept. Members had over 16 hours of in service time due to the storm. Members were in service from 04:00 to after 20:00 hours.

Saint Clair Borough Council
C/O Roland Price
Department of Streets
Saint Clair Borough
16 South Second Street
Saint Clair, PA 17970

Dear Mr. Price:

I would ask that the following letter be shared with the Borough Council during the next regular session.

On morning of 2/7/2024, the Saint Clair Department of Streets closed down Ann Street to repair potholes for approximately a two-hour window of time. During this period of time, traffic was prohibited from entering Ann Street from Route 61 or from the Fairlane Village Mall, which completely blocked off access to my business. My employees were prevented from getting to work on time and customers were prevented from accessing my business. The entire street was also closed off from the Fairlane Village Mall Entrance and the Route 61 entrance when Auto Zone was under construction.

I was not notified in advance that this work was being done, despite that fact that it was apparently planned, in advance. It is very challenging keep a retail business afloat with the pressures of the "big box" stores and online shopping and it disheartening that the Saint Clair Department of Streets fails to realize the impact their actions.

On the morning of 2/7/24, six borough employees were onsite performing this work. In the future, I respectfully request that Borough of Streets keep one lane open while performing work on Ann Street. If there are six employees on a crew and police support, there is absolutely no reason why two employees can't be posted at either entrance with stop signs to allow for single lane traffic. You would not have closed down the road leading in to Walmart. I ask that you give the same level of respect for my business that you would for a large corporation.

Sincerely,

Donna Boyd

St. Clair Fish and Game Association

Phone: 570-429-1207

Dear Friends:

On Saturday, March, 30, 2024 the St. Clair Fish and Game will sponsor its 43rd Annual Easter Egg Hunt at 1:00 p.m.

Each year the major goal of our club is to make this event as exciting as possible for our children. To make this Saturday afternoon special, it takes manpower and monetary donations.

Since the origin of the egg hunt, in 1979, many businesses and organizations have joined our efforts to make this a fun-filled day for the youth of our community.

We would like to extend a special "thank you" to those who have donated in past years and ask that you join us again this year. If you haven't donated before, we ask that you consider becoming part of our team. Your donation will be a great help to us and the children of our area.

Kindly send your donation by March 16th to:

**St. Clair Fish and Game
Easter Egg Hunt Committee
PO Box 125
St. Clair PA 17970**

Thank you for your participation and continued support.

Sincerely,

Richard M. Garland

3/2/24

Letter received from Eleanor Jamosky (258 Cherry Street)

How many times have I been down Boro Hall complaining about anything?

Neighbors - Cory Renninger & Tom Peterson are saying I am always down Boro complaining about everything. Cory Renninger says my sister & I from Shaft Hill are the complainers. I do not have an sisters living up there – one lives in Pottsville & one in Minersville. Renninger says he has sources telling him this.

How come the police went to Renningers Peterson & another neighbor saying I am complaining about weed on their properties I never said that – I complained about Panchari across the street - his weeds property – Renninger said he has sources- hmmm.

Is everyone afraid of Pancharis? George Zaharis owned the garages across the street from me – never had a problem – never pushed snow across the road to my side – Panchari say he has no room to put the snow – he has a whole lot. I thought it was against the law to push snow on other property. Keith went and pushed his piles a couple times down the road. The last snow we had one of the boro guys told him about it, Panchari laughed & pushed more over – George Zaharis never did that after 20 years – God rest his soul.

Pauline Zaharis had given me 3 urns from the property & asked Panchari if it was alright with him before him taking the property over he said – sure – not after incident about the snow – he said he wants the vases back - so if any of them are gone – we know who stole them. I know he owns a lot of property but not mine.

Renninger works up the prison his address is 250 Cherry Street. Tom Peterson – 241 Cherry Street

I complained about his black trailer parking on my sidewalk he says nobody can see when they want to make a right hand turn – that is why he puts it on my sidewalk – also his 4 cars are on my sidewalk – not my fault sidewalk that big – it has been that big since my mom & dad bought the property in 1944? 1945? 1946?

This house used to be the AMVETS before they built their own building. This house used to be a grocery store Panchin? Spelling unknown. Used to have small weddings in this house (basement) There is a bar downstairs – everybody wanted (for free) No way. Enough history.

Hope nobody loses this. I went to Roland Price & complained about the shotty work done on my house. Schannour Contractor – every thing this contractor did was a waste of money.

Eleanor Jamosky

Mr. Roland Price
Saint Clair Borough
16 South Second Street
Saint Clair, PA 17970

Dear Mr. Price:

I would like to take this opportunity to commend and thank the department of streets on getting the fallen trees cleared so quickly after the last snow storm. The trees that had fallen on Ann Street were cleared by early morning.

I also appreciate how quickly the St. Clair Light Company how power restored to the town after the same storm. Power was restored to the borough almost a full 24 hours before most other municipalities.

Please extend my sincere appreciation to Mr. Kevin Dempsey and his crew as well as to the crew of the Saint Clair Light Company.

I believe it is just as important to provide praise for a job well done as it is to criticize.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Brennan', with a stylized flourish at the end.
