#### Mayor's Report

1. As the brutal Russian invasion of the Ukraine enters its 4<sup>th</sup> year, I urge all residents of St. Clair to keep, with me, the Ukrainian people and their courageous President Zelensky in our prayers. The example being displayed by Ukraine in its struggle against tyranny should be an inspiration to all freedom loving people in the world.
2. A special Thank You to our Borough Engineer Brian Baldwin for his professional expertise in obtaining grants for the Borough of St. Clair. In recent weeks he has been responsible for the Borough receiving a grant for a new garbage truck and a new fire department building. Brian has been a credit to his employer and to this borough during his entire tenure as our Borough Engineer. Thank You, Brian!!
3. I urge people interested in forming a committee for the purpose of organizing events for the 175<sup>th</sup> anniversary of our borough's incorporation to attend a public forum to be held on Tuesday, March 18, 2025 at 7 p.m. at the Council Chambers at Borough Hall.
