Mayor's Report

1. Residents are urged to be aware of telephone or computer scams relating to their federal income tax. The Internal Revenue Service does not use the telephone or the computer to communicate with individual taxpayers.
2. As the brutal Russian invasion of Ukraine enters its 5th year, I urge all residents of St. Clair to keep the courageous people of Ukraine in their prayers. This year, as we celebrate the 250th anniversary of our Declaration of Independence from a tyrannical government, let the example of 1776 be an inspiration for the people and government of Ukraine.
