

Leave your mark on Saint Clair's Story

Every family, every neighbor, and every generation have helped shape the community we proudly call home. Now, we have the opportunity to preserve those memories for the future through the Saint Clair Community Time Capsule.

Envelopes are available; you may pick up your envelope at Borough Hall during regular business hours (8 a.m. – 4 p.m.). Whether it's a handwritten letter, a favorite family photo, a child's drawing, a newspaper clipping, or a small keepsake, your contribution will become part of our town's history.

We encourage every resident, past and present, to take a few moments to share what Saint Clair means to you. Years from now, future generations will have the chance to see the memories, traditions, and stories that made our community so special.

Completed envelopes can be returned to Borough Hall by Thursday, August 13th. A secure drop box will be available for your convenience.

Please join us for the Community Time Capsule Burial Ceremony on Saturday, August 15th at 9:00 a.m. at the Veteran's Memorial Football Field. In the event of rain, the ceremony will be held on Sunday, August 16th at 6:00 p.m.

Let's come together to celebrate our past, honor our present, and leave a gift for the generations who will one day call Saint Clair home. This is more than a time capsule, it's the story of our community, written by the people who love it most.

Together, let's preserve a piece of Saint Clair forever.
