EMERGENCY MEDICAL SERVICES

Dear Resident of Saint Clair Borough,

The members of the newly organized Saint Clair Area Emergency Medical Services (EMS) Quick Response Team are proud to announce the formation of a dedicated volunteer service committed to providing rapid, comprehensive prehospital emergency medical care to the residents and visitors of Saint Clair Borough, New Castle Twp, & East Norwegian Twp.

Our mission is simple: to deliver the highest level of pre-hospital care possible by utilizing highly trained personnel equipped with state-of-the-art lifesaving equipment. Every second counts during a medical emergency, and our goal is to ensure that comprehensive care reaches patients as quickly as possible while awaiting ambulance transport when necessary.

As a non-profit organization, we rely on the generosity and support of those we serve. While a monetary donation is never required or expected, any contribution is sincerely appreciated and will be used exclusively to purchase lifesaving medical equipment, protective gear, training, and other resources necessary to help us continue growing and providing exceptional emergency care. Your support directly benefits the citizens of Saint Clair, New Castle Twp, & East Norwegian Twp., and helps us remain prepared to respond when our neighbors need us most.

Please make contributions payable & send to:

Saint Clair Area Emergency Medical Services

P.O. Box 1

Saint Clair, Pa. 17970

In addition, we are actively developing a confidential registry of residents who may require special assistance during municipal emergencies such as extended power outages, severe weather, or other disasters. If you or someone in your household relies on medical equipment such as an oxygen concentrator, has limited mobility, or has other special needs that could affect your safety during an emergency, we encourage you to provide the following information:

- Name(s)
- Address
- Telephone Number
- Description of any special needs or medical equipment requiring electricity

This information will be kept confidential and used solely to assist emergency personnel in conducting welfare checks and coordinating assistance during emergency situations that may impact your health, safety, or quality of life.

On behalf of the members of the Saint Clair Area EMS Quick Response Team, thank you for your support, encouragement, and commitment to making our community a safer place. We are honored to serve Saint Clair Borough and look forward to protecting the health and well-being of our neighbors for years to come.

Sincerely,

Scott Clews
